

Leave an Invaluable Legacy...

You can leave an invaluable legacy by making a bequest or gift to the Masonic Medical Research Laboratory

WE ARE

- internationally renowned as one of our country's leading cardiac research centers
- highly respected and referenced within the scientific and medical community worldwide
- a recognized international center for genetic screening of cardiac diseases, especially those involving inherited cardiac arrhythmias

OUR SCIENTIFIC LEGACY HAS

- generated new heart medications; most recently for atrial fibrillation
- helped to develop diagnostic procedures for the management of cardiac arrhythmias
- aided in the advancement of life-saving technologies

OUR CARDIAC RESEARCH

- is focused on regenerative medicine and development of human models of disease using an exciting new technology employing induced pluripotent stem cells, which precludes the need for use of embryos
- has tremendous potential in designing and discovering new drugs, new treatments and even cures based on root/genetic cause
- will change the face of medicine as we know it today

YOU NEED TO KNOW

- 84 cents of every dollar goes to cardiac research
- your gift helps to ensure the health of future generations; it may save the life of a loved one or even your own
- we train and educate tomorrow's scientists, clinical researchers and physicians
